MY TOP 4 QUICK WINS!

1 – LIVE TRANSCRIPT

2 – IMMERSIVE READER

Immersive Reader practice

Im·mer·sive Reader helps students struggle with reading by reading and breaking up words, translating and providing a picture dictionary. This isn't a stand-alone app or service. It's available in Word and OneNote on the desktop and in the Microsoft Edge web browser.

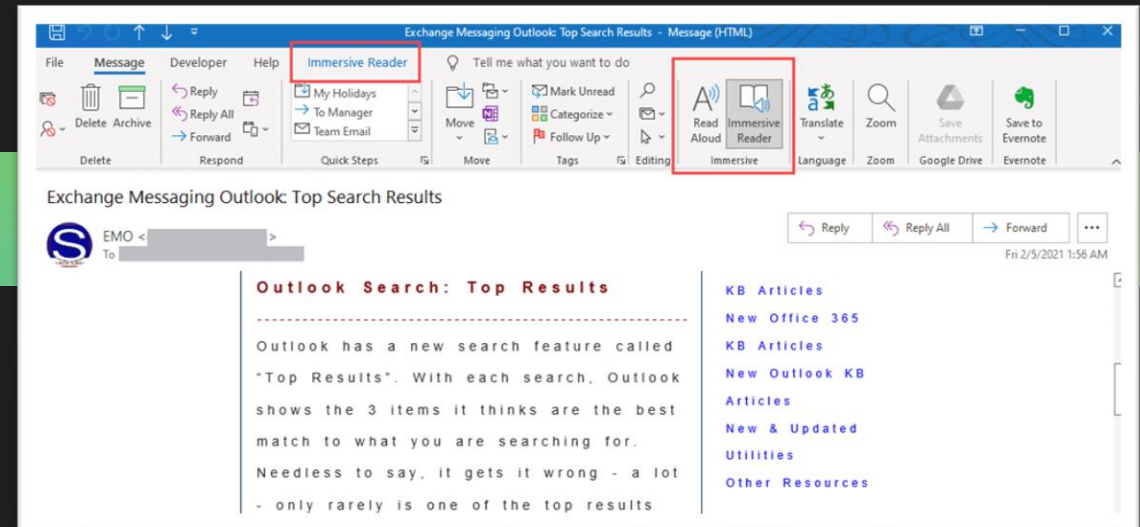

Text Size: 42

Increase Spacing:

Font: Calibri, Sitka, Comic Sans

Themes: Aa, Aa, Aa, Aa, Aa, Aa

Show Source Formatting:

Exchange Messaging Outlook: Top Search Results - Message (HTML)

File Message Developer Help **Immersive Reader** Tell me what you want to do

Read Aloud Immersive Reader

Outlook Search: Top Results

Outlook has a new search feature called "Top Results". With each search, Outlook shows the 3 items it thinks are the best match to what you are searching for. Needless to say, it gets it wrong - a lot - only rarely is one of the top results

KB Articles
New Office 365
KB Articles
New Outlook KB Articles
New & Updated Utilities
Other Resources

3 – RECORD LESSONS

4 – AI IN THE CLASSROOM

- COPILOT
- GEMINI
- CLAUDE
- PERPLEXITY
- VIGGLE
- OPUS CLIP
- MICROSOFT DESIGNER
- HEY GEN
- STABLE AUDIO

The Udio logo is displayed in a white rectangular box. It features the word "udio" in a bold, lowercase, sans-serif font. The letter "u" is stylized with a small triangle pointing downwards from its top-left corner.

4 – AI IN THE CLASSROOM

The Udio logo is centered within a white rectangular box. The logo itself consists of the word "udio" in a bold, lowercase, sans-serif font. The letter "u" is stylized with a small triangle pointing downwards from its top-left corner.
